Headline:
Dry with sunny spells.

Today:
A bright and dry day with sunny spells, the best of these this afternoon although the sunshine will be rather hazy at times. Feeling warm away from the coast with a mainly light southerly or southeasterly breeze. Maximum temperature 15 deg C (59 deg F).

Tonight:
Dry with some late sunny then clear spells, although Perthshire and western Perthshire become cloudier. Although not quite as cold as recent nights, a local frost in east is likely. Minimum temperature -1 deg C (30 deg F).

Sunday:
Western parts of Stirlingshire and Perthshire look rather cloudy with the odd spot or two of rain, but more eastern parts look dry with some sunny spells. Maximum temperature 14 deg C (57 deg F).

Outlook for Monday to Wednesday:
Dry Monday with sunny spells developing. Tuesday looks cloudier with rain for a time around the middle of the day. Mainly dry with sunny spells Wednesday but cooler northwesterly breeze.
